12. Evaluation Criteria and Methodology

12.1 Evaluation of tenders and selection of contractors’/service providers

The NHLS is a Schedule 3A Government Institution subjected to the Public Finance Management Act (PFMA), the Public Preferential Framework Act (PPPFA) and Treasury Regulations/Instructions. Bidders must assist the NHLS to eliminate corruption and fraud by completing and submitting form SBD4.

12.1.1 Any tender closing is followed by a Public Opening where the names and pricing of all bids received are read out to the bidders attending. NHLS tender opening officials sign the pages where pricing is indicated to prevent any alterations.

12.1.2 Next steps of evaluation is Administrative pre-qualification verification and the “technical” or so called “functional” evaluation which is purely based on NHLS specifications (Annexure 2) and Scope of Work. NHLS end-user department (who requested the bid), Procurement Services, Finance and subject specialists are part of the Cross Functional Evaluation Team (CFET) meeting which is chaired by Quality Assurance (QA). All the members of the CFET must complete Declaration of Interest forms and must recuse themselves in case of any conflict of interest.

12.1.3 The final stage of evaluation is done after the CFET has reached their verdict and is done by NHLS Procurement Services and separately from the CFET meeting. B-BBEE score (commercial evaluation) is being added in order to get the final order of merit for the bidders being evaluated.

12.1.4 Bidders that score the minimum threshold are recommended and submitted to the NHLS Tender Evaluation Committee (TAC) for adjudication and the bid MUST be awarded to the bidder who scored the highest points (Merit 1) during the CFET and Commercial evaluation (B-BBEE). All the members of the CFET must complete Declaration of Interest forms and must recuse themselves in case of any conflict of interest. Should the TAC decide on a bidder other than Merit 1, this decision must be motivated as a Deviation from NHLS Policy & procedure and Treasury must be advised accordingly.

12.1.5 The CEO of the NHLS must finally approve the recommendation by the TAC, in his capacity as the Accounting Officer.

12.1.6 Details of the successful bidder to be advertised in the Government Tender Bulletin.

12.1.7 Suppliers must accept the Terms & Conditions of our contract(s) which will result from the RFB document”. RFB conditions and pricing shall be fixed and firm from RFB closing date to the end of contract.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Standard Bidding Document (SBD) must form part of all bids invited.

2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging). Collusive bidding is a \textit{per se} prohibition meaning that it cannot be justified under any grounds.

3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
   a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution’s supply chain management system and or committed fraud or any other improper conduct in relation to such system.
   b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

4. This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5. In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

---

\footnote{1}{Includes price quotations, advertised competitive bids, limited bids and proposals.}

\footnote{4}{Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.}
