Annexure L

SUPPLIER DEVELOPMENT AND LOCALISATION UNDERTAKING

Tenderers are required to make undertakings to advance designated groups through Local content, subcontracting, skills development commitments, job creation commitments and corporate social investment.

The tenderer is required to complete this undertaking and to submit the completed form as a tender returnable to Eskom prior to contract award.

Eskom reserves the right to negotiate with the tenderer on these requirements. The outcome of the negotiations will be a contractual obligation. If negotiations are not required, the tenderer's SD&L undertaking will also become a contractual obligation.

1. B-BBEE Requirements

Tenderers will be required to maintain or improve their B-BBEE Recognition Level for the duration of the contract.

2. Skills Development

Tenders are expected to develop skills in the form of offering bursaries or by offering in service training for new graduates in any fields of study applicable to this industry.
