VALIDITY PERIOD EXTENSION

Due to unforeseen circumstances, the tender of which particulars appear below, could not be disposed of before expiry of the current validity period, and I shall be glad to learn whether you are willing to hold your tender valid IN ALL RESPECTS for the further period indicated. To facilitate the matter, the reply form attached should be completed and returned.

Should you not be willing to hold your tender valid for the further period, it will of course lapse on expiry of the current validity period and will therefore be ignored if the tenders are not adjudicated within this period.

If you are willing to hold your tender valid for the further period, but subject to amendment in any respect, the reason for and the nature of the amendment must be clearly indicated in a separate letter, but in that event and should the tenders not be adjudicated during the current validity period, the right is reserved to ignore your tender, particularly if the amendment has the effect of increasing or decreasing the tender price.
